### 2. Our Purpose, Principles and Promise:

**ConnectSTL's Purpose** is to:

To establish a digitally inclusive community where every resident enjoys equal access to opportunities, resources, and the transformative power of technology. As a coalition, our aim is to focus on unity and collaboration and together we strive to dismantle digital barriers, cultivate robust collaborations, and narrow the digital divide. We seek to establish a sustainable model that encourages participation, inclusivity, and continuous improvement.

**ConnectSTL's Principles** include:

[for a detailed description, go to: <https://<link>>]

- Community Engagement and Input
- Clear and Defined Goals
- Partnership and Collaboration

- Agility and Continuous Improvement
- Data for Action and Impact

**ConnectSTL's Promise is:**

In order to realize a vision of St. Louis as a place where everyone has the opportunity to succeed, the ConnectSTL coalition will emphasize a collaborative approach. By leveraging the Collective Impact model, we strive to collaborate across sectors to drive a common agenda but still leave room for individual actors to participate. This commitment to each other becomes a rallying call for the community to thrive collectively. By acknowledging the importance of regional collaboration over internal competition, the ConnectSTL Digital Equity Coalition becomes a beacon for meaningful change, championing digital access as a means to uplift the entire community
